

Street Banner Finishing Options

Option A:

- Most common option for fabric banners.
- Grommets on inside corners top & bottom.
- Sleeves closed on outside top & bottom.
- Suitable for Echotex®, Dacron, or Nylon banners.

Option B:

- Grommets in all four corners.
- Sleeves open on both ends top & bottom.
- Suitable for Dacron or Nylon banners.

Option C:

- Most common option for Vinyl banners.
(For fabric banners, Vinyl reinforced sleeves are required.)
- Grommets on inside corners top & bottom.
- Sleeves open on both ends top & bottom.
